

Printing Flyers

We currently support the following web browsers for printing flyers:

Mozilla Firefox version 2 – Mac OS X & PC
Microsoft Internet Explorer version 7 – PC Only

If you are using Microsoft Internet Explorer, make sure you are using version 7.

To check your version, open Internet Explorer.
Select Help > About internet Explorer.

[Click Here](#) to upgrade to Internet Explorer 7 for free.

[Mozilla Firefox](#) is also available free of charge.

Making the flyer fit on one page.

PC:

Microsoft Internet Explorer version 7 & Mozilla Firefox version 2

- 1.) Select File > Print Preview
- 2.) Select "Shrink To Fit" from the print sizes drop down menu.

Mac OS X:

Mozilla Firefox version 2

- 1.) Select File > Print
- 2.) Select Firefox from options menu
- 3.) Select "Shrink To Fit Page Width"

Removing time, date & page numbers.

PC:
